20 g/kg PROPOXUR,
2 g/kg TETRAMETHRIN,
10 g/kg PIPERONYL BUTOXIDE

PEST	STATE	CRITICAL COMMENTS
Spiders	All States	Spray around and in garbage bins, food disposal areas, sills and other points of entry.
European wasps		Spray eaves, webs and other sites where spiders lurk.
		Use for accessible nests. Spray after dark and wear insect proof clothing to avoid being stung. Spray in and around nest entrances until the nest is saturated. Spray again 3 days later then destroy the nest.
