

# Amgrow® **Eraze**® **TOTAL** WEED KILLER

**HOW TO USE:**  
DO NOT treat if rain is likely within 6 hours.  
DO NOT disturb treated weeds for 7 days after treatment.

| Situation   | Weeds Controlled   | Rate  | How to apply   |
|---|--|---|--|
| Rockeries,<br>Garden Beds,<br>Footpaths,<br>Driveways,<br>Aquatic areas | Grasses and broadleaf weeds: e.g. Annual Ryegrass, Kikuyu, Nutgrass, Oxalis (Sour sob), Paspalum, Prairie Grass, Chickweed, Plantain, Capeweed, Pampas Grass | Mix 10mL per 1 litre of water                               | Spray when weeds are actively growing until leaves are just wet, but to avoid run-off. Repeat if necessary. For best results on Sour sob, apply when flowering.                                    |
|   | Perennial weeds: e.g. Blady Grass, Couch (English Couch or Rope Twitch in Tas.), Guinea Grass  | Mix 15mL per 1 litre of water                               |  |
|   | Bamboo   | Mix 10mL per 1 litre of water<br>Mix 10mL per 60mL of water | LEAF SPRAY: Apply to actively growing foliage and/or regrowth between 1-2m tall.<br>STEM TREATMENT: Cut stems back to 20cm high. Pour the mixture down the hollow stem or paint freshly cut stems. |
|   | Privet (Cut stump technique - up to 30 cm basal diameter)  | Mix 15 mL per 15 mL water (1:1)                             | Cut the tree close to the ground and immediately wet the stump surface by swab, spray, or brush.   |
|   | Boxthorn, Lantana  | Mix 10 mL per 1 litre of water.                             | Complete coverage is essential. Spray regrowth if necessary. DO NOT spray plants bearing edible fruits. For best results spray January to May.   |
|   | Groundsel Bush, Hawthorn, Blackberry   | Mix 13 mL per 1 litre of water.                             | Use the lower rate for bushes under 1.5 m.   |
|   | Sweet Briar (up to 1.5m tall)  | Mix 15 - 29 mL per 1 litre of water.                        |  |

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

**HOW TO PREPARE:** Mix with clean water only. DO NOT mix more than is needed. Use only plastic lined, brass, copper, fibreglass, aluminium or stainless steel containers for mixing and application. Wash out spray equipment thoroughly after use.

**CAUTION:** DO NOT allow spray to contact or drift onto plants you do not want killed. Accidental contact must be hosed off with water immediately to reduce injury to plant. DO NOT allow chemical containers or spray to get into drains, sewers, streams or ponds. DO NOT spray directly on humans, pets, exposed food, food preparation areas or food utensils.

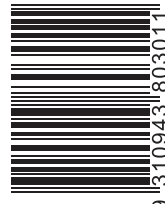

**STORAGE AND DISPOSAL:** Store in the closed, original container in a cool, dry place out of reach of children. DO NOT store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

**SAFETY DIRECTIONS:** Avoid contact with eyes and skin. Wash hands immediately after use.

**FIRST AID:** If poisoning occurs, contact a Doctor or Poisons Information Centre. Phone Australia 131126.
